HALL OF ACHIEVEMENT

Numerous Grant High alums have attained regional and national stature in their lives and many of them will be recognized with a new program that the alumni association believes will inspire current and future students.

Titled "Grant Five Star Generals: Hall of Achievement" those selected will be honored with a plaque on a display board to be

posted at the school. Honorees will be named annually with the initial inductees announced later this year.

The school, alumni, and students can march with pride behind the general who will properly be honored to be in the Hall of Achievement.

The idea for the Hall occurred because of the Grant High School Athletic Hall of Fame,

which held its third inauguration this year. While star athletes well deserve their recognition, so do countless other graduates who excelled in varied occupations.

A committee of Rodger Eddy (chair), John Leonard, George Franklin, Janet Eddy and Karyl Whelan, all active alumni board members, formulated the program, which was formally approved during the December meeting.

FIRST HALL OF ACHIEVEMENT INDUCTEE

The first inductee – the inspiration for the school and the generations of "Generals" who have attended – will be none other than Ulysses S. Grant himself. Grant's crucial role in the Civil War is long past, his presidency has been tarnished, and his legacy largely forgotten during the century following his death. But now historians are reassessing the man and finding a truly inspirational character – a man of singular determination, personal integrity, the first president to travel the world; the first to be a Revolutionary War Descendant and acknowledged to be the best writer of a military history behind Julius Caesar. Grant died two days after completion of his Memoirs, and the dedication of his tomb in New York attracted five million citizens.

Ulysses S. Grant served two terms from 1869 to 1877 as the 18th President. He was born Hiram Ulysses Grant in a log

cabin in Point Pleasant, OH, on April 27, 1822. Grant's grandfather and Revolutionary War ancestor was Captain Noah Grant III. He "was present at the battle of Bunker Hill. He served until the fall of Yorktown, or through the entire Revolutionary war. He must, however, have been on furlough part of the time—as most of the soldiers of that period were—for he married in Connecticut during the war, had two children, and was a widower at the close." (U.S. Grant's Personal Memoirs).

At the age of 17, Grant entered the United States Military Academy at West Point, NY. In 1843 Grant graduated 21st in a class of 39. The papers nominating him for the academy showed his name as Ulysses S. Grant – his mother's name was Simpson. (Grant would continue to use this name as he didn't want to be known by his initials, H.U.G.) Now with a name of U.S. Grant, the U.S. could also

stand for "Uncle Sam," Grant's nickname became "Sam" among his army colleagues.

Ulysses S. Grant rose to international fame as the Commanding General of the Union Army in the Civil War. In 1868, Grant was nominated at the Republican National Convention and elected President. Grant was the first president to serve for two full terms in 40 years since Andrew Jackson. He entered the White House at age 46, the youngest man yet elected president.

Grant died two days after completion of his Memoirs in Mount McGregor, NY on July 23, 1885 at age 63.

He is buried beside his wife in Grant's Tomb in NYC. His tomb in New York attracted five million citizens at its dedication and is the largest mausoleum in North America.

WOW! What a year this past year was for your Alumni Association.

Our mission as an alumni association is to maintain and promote the excellence that is Grant High Schools long established tradition.

One of the major goals of the association is to provide a scholarship and this year John Julius Muwulya received the scholarship. He is currently studying at the University of Portland. Julius is a fine young man who epitomizes what it means to be a Grantonian.

In July we held the 2nd annual all alumni picnic at Wilshire Park with a good turn out. Good to see some old friends there. This next year the picnic will be held on July 22nd, so plan to attend.

This past fall the alumni association held a fund raiser to raise funds for the restoration of the 9' Steinway concert grand piano in the auditorium. And a big thanks to Tom Grant (Grant 64") who graciously donated his time for

the event. Appearing with Tom was Shelley Rudolph. Remix a chorus made up of former Royal Blues, under the direction of Doree Jarboe opened the concert and also preformed with Tom. Besides raising money for the restoration of the piano it was a fun evening.

In October the Grant Alumni Hall of Fame inducted 21 outstanding Grant athletes and coaches. It was a special evening for me to see Butch Lumby and Wes Austin inducted.

Finally a special thanks to those who serve on the alumni board, Thanks Guys & Gals.

Grant High School is lucky to have a 9' Steinway concert grand piano but regrettably it has not had the care it deserves over the years. The alumni association is dedicated to refurbishing it to its glory! We began fund raising with an evening of music in October with the Remix (Royal Blues alums), Tom Grant and Shelley Rudolph. If you were not in the audience you missed a most enjoyable evening! Our thanks again to Tom, class of 1964, for donating his time and talent. We will let you know when the next musical evening is planned. We could use help in reaching our goal!

The annual all alumni event was held again at Amalfi's Italian Restaurant on Friday, September 23 prior to the victorious homecoming game against Beaverton High in the GHS bowl. Many from the class of 1961 who were celebrating their 50th reunion that weekend were in attendance. It was a beautiful sunny day with ample hors d'oeuvres and pizza for all!

In August 2011, the class of 1991 celebrated our 20-year reunion. The weekend began with a Friday night gathering of classmates in the Kennedy School gym. We played a slide show that contained photos from our senior year slide show, as well as photos from our 10-year reunion, listened to music reminiscent of our high school days, and played catch up with friends we haven't seen in 10 or 20 years. Saturday night, we brought spouses to the Crystal Ballroom for dinner and dancing to a music spun by a local DJ (a GHS alum from the class of 1990). Sunday afternoon, we brought our families to Wilshire Park, the scene of our senior picnic. Our children played together and ate popsicles while the adults were able to laugh about the events of the weekend. A friendly soccer game of classmates and children ensued.

**GHS ALUMNI ASSOCIATION
GRANT HIGH SCHOOL FOUNDATION**

The community of GHS supporters includes several organizations all dedicated to the support and continued excellence of the school and the students and faculty that bring it to life. Among these organizations are: The GHS Alumni Assoc., the GHS Foundation, GHS Booster Club, and the PTA. In these days of dwindling state and federal school support and reduced budgets, these local support groups target programs at Grant that help to continue a tradition of

excellence for today's Grant community.

The GHS Alumni Assn., founded in 2005, is a non-profit and the mission statement can found on the application at the end of the newsletter.

The Grant High Foundation is the only organization has the single purpose of raising funds to hire and retain teachers and is the only organization able to fund teaching positions. Tax deductible donations to the foundation have helped retain full band, choral and theater

programs; multiple world language classes; visual arts classes; AP Physics and dual credit classes in Photography, PSU Journalism, Philosophy, the Constitution Team and Marketing Classes. The first \$10,000.00 donated to the Foundation is an exempt fund; one-third of all donations after the first \$10,000.00 become part of an Equity Fund providing grants to schools that do not have the community to raise the donations needed for their school.

From time to time each of these organizations will ask for your financial support. Know that all of your support is appreciated and will be used properly per the mission of the organization to which you choose to contribute. Grant High School launched us all on to a better life. If you have the means, it is time to pay back a bit to continue the tradition of excellence. Donate and/or get involved.

ATHLETIC HALL OF FAME

Interest and enthusiasm for the Grant High School Athletic Hall of Fame is growing, as evidenced by the third annual award program in the auditorium on Monday evening, October 17, 2011. Twenty-one names were added to the 20 from last year and to the original 66 from 2009.

Enthusiastic recipients along with friends, relatives, and previous honorees enjoyed a program that included Principal Vivian Orlen who introduced team captains and leaders from each of Grant's athletic teams.

The Royal Blues, the school's premier vocal group, sang numbers and the school

cheerleaders led the Grant Fight song. Jackie Sage, athletic director, welcomed the crowd and Pete Charlston '54 and Gerry Spencer '59 shared master of ceremonies duties, and the latter introduced the other selection committee members. John Keller, Wilson Walker and Rodger Eddy.

Guest inductee speakers were Butch Lumby '62 and Pete Williams '51.

In the coaches category, James "Mush" Torson came to Grant via Oregon State and Corvallis high school. He coached three sports – basketball, baseball, and football

(winning the state title in 1946). He went on to University of Portland to coach basketball. Ron Kennewell '77 played three years of varsity baseball and basketball at Grant, then starred at Western Oregon College before returning to Grant for 28 years as baseball coach, and still teaches here.

The assemblage thoroughly enjoyed refreshments and Grant-style socializing in Center Hall before reluctantly heading home. Display boards were shown that honor each recipient to date, and will hang permanently in a hall.

CLASS OF 1961 CELEBRATES - 50TH REUNION

Center Hall sounded and looked just like it did fifty years ago when the class of '61 gathered for a school open house. The din was audible for blocks as classmates met for coffee and donuts before being entertained by the Royal Blues in the auditorium.

Honored guests were Art Westcott and Ed Rooney.

Later in the afternoon, many from the class attended the annual Alumni Assn. Amalfi's homecoming party before heading to the bowl to cheer Grant in the win against Beaverton. Class members who played varsity football were announced as they walked onto the field to participate in the coin toss as honorary captains.

The reunion party was held at University Place where the room was divided into quadrants with each section decorated as familiar scenes: the Grant Park, library, gym or cafeteria. Passed hors d'oeuvres included toasted buns to enjoy at the make your own flavored Coke/Green river bar.

Classmates were able to reminisce with faculty members Ron Sobattka, John Hilley, George Galati, Anita Logan, Jacqueline Svaren, Ed Rooney, and Charles Randolph. Dick Hennessey, Frank Buckiewicz and Bob Gerber sent their regrets.

Friday night was dedicated to reunions for all feeder grade schools. Also offered during the weekend was a neighborhood walking tour, golf and bike ride as well as breakfast Sunday morning for those staying at the hotel. A full and memorable weekend!

CLASS OF 1946—65TH REUNION

Ken Handel, class president, reports: The classes of January and June 1946 had their 65th reunion on July 16, 2011 at Ernesto's Italian Restaurant with sixty three classmates and guests attending. Much credit for its success goes to Vi Schultz Eaton for her tireless efforts in locating class members. Oliver Norville announced that the class GHS-Oregon Community Foundation Needs-Benefit Fund increased by \$3155 during the registration period. The '46 endowment generates funds to GHS in excess of \$2000 each year to support programs for which funding would not be available otherwise. Visiting and recalling the good times for over an hour after the program highlighted the evening.

CLASS OF 1954—75TH BIRTHDAYS

The class of 1954 gathered to celebrate their 75th birthdays on July 30, 2011 at the Multnomah Club "in the tent" on the balcony. A good time was had by all with attendees coming from as far as the east coast. Sally Cathcart Knauss and Marilyn Walker Portwood were co-chairwomen of an enthusiastic committee of seventeen.

GHS has a new baseball coach! His name is Matt Kabza and he is planning something fun!

The Alumni Tribute Game is scheduled for Wednesday, May 2 when Franklin comes to play.

This will be the perfect time for all former Grant baseball players to come out to the field to support the Grant baseball program and to also catch up with old teammates while enjoying a BBQ and a game. The first game of the season is against Reynolds at Grant on March 14. As one might expect, the uniforms are old and need to be replaced, the protective gear needs updating and the batting cage needs a complete renovation. For the latest information on the baseball program and/or how you can help with funding visit www.generalsbaseball.org.

Mark May 2 on your calendar so you can join in the fun!
